

## **NAQCC FLORIDA CHAPTER MEMBER NEWS: March 2021**

On Friday, March 19, 2021 the Florida Chapter of NAQCC held our latest “Parkpedition” at Buschman Park in Port Orange, Florida.

Buschman Park is 30 acres and has lots of wildlife. The park is also a Halifax River Audubon Bird Sanctuary. The land was labeled as a problem property due to years of issues and drug related arrests, so the City ultimately took it.

We arrived between 9AM and 9:30AM to a temperature of 68 degrees and a 10-15MPH breeze. When we left it was 66 degrees.

This trip we had a total of 4 members and 1 non-member / 1 operator in our group to include: Steve WB4OMM #5274; John KD4JS #8019, Phil NW4X #8927, Mike NE8P and Nikki KM4SBQ #8749.
